

## How to Become Involved

Our sponsors and resource partners support the Youth Mentoring Collaborative's efforts to increase the quality and impact of mentoring in the mentro Denver area. They provide a number of different resources including financial support, staffing, and assistance with mentor recruitment.

If your organization is interested in learning more about serving as a resource partner, the Youth Mentoring Collaborative Project Coordinator will be happy to provide you with more information.

Please call Mary at 720.334.7153

Or you may email us at: [youthmentoringcollaborative@gmail.org](mailto:youthmentoringcollaborative@gmail.org)
