

How to Become a Mentor

Strengthen your community.

Be a mentor.

The Youth Mentoring Collaborative's mentoring agencies serve approximately 2500 youth in the metro Denver area every year. While this may seem like a large number, we estimate that more than 85,000 youth in the metro Denver area could potentially benefit from mentoring.

Therefore, the Youth Mentoring Collaborative is always looking for more persons who are interested in sharing their time and interests with a young person.
